

# Striving for Net-Zero

## Scaling Up Conference

November 8<sup>th</sup>, 2022

# FPAC Membership

# Canada's Forest Laws are Among the Strictest in the World

**Indigenous and treaty rights** are protected by Canada's constitution, and this is reflected in forest policy, and forest management practices

# Opportunities

## Conservation of Nature

- Sustainable Forest Management
- Ecosystem-Based Management

## Healthy & Resilient Forests:

- Wildfire prevention/mitigation
- National Adaptation Strategy

## Building with Wood:

- Greening Government Initiative
- Buy Clean
- Canada Green Building Strategy

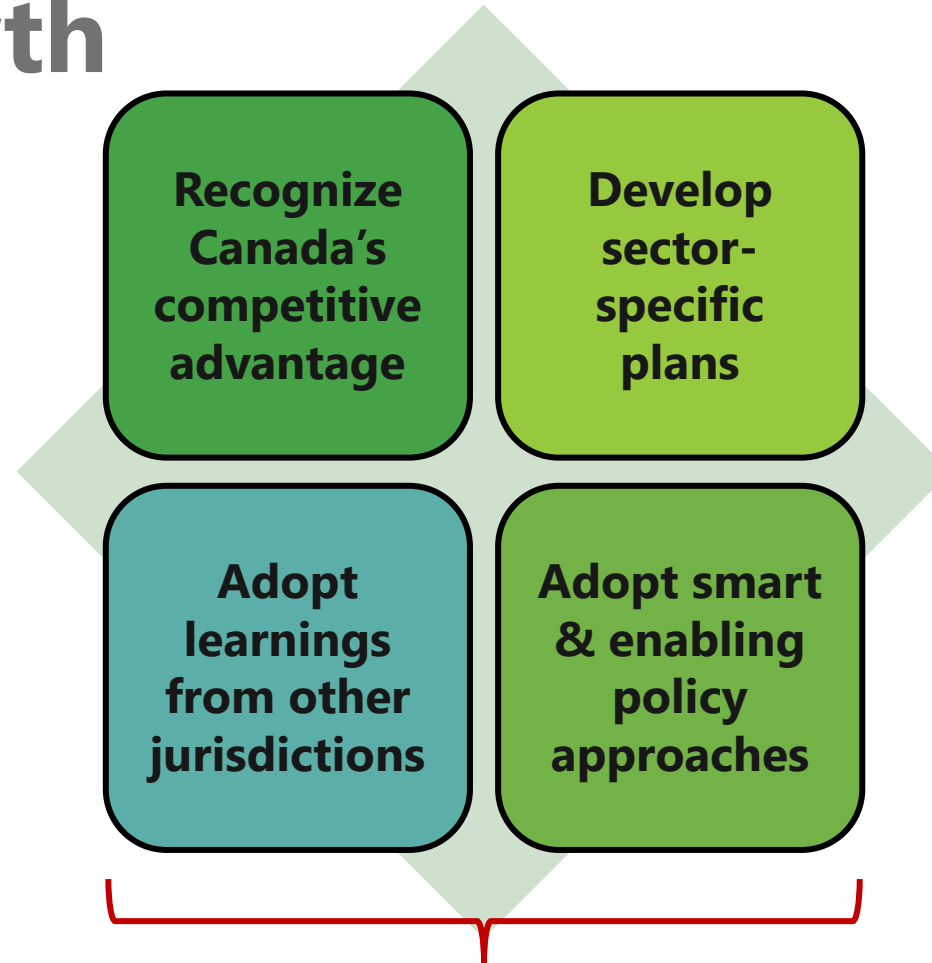

## Forest Bioeconomy

- Bioenergy
- Biofuels
- Biomaterials
- Biochemicals

## Other Uses for Biomass

- BECCS
- Bioheat
- Decarbonization of other sectors

# Need to Adopt A Strategic Approach to Clean Growth

**strong partnerships**
